

Collecting feedback on maternity services: parents' voices

Data collection date:

Data collection location:

Maternity Forum Service User Rep present:

Basic info about the group:

This group consisted of (number) mums and (number) dads, with babies ranging from (number) days/weeks/months (please specify). It was explained what the Maternity Forum (MSLC) is why feedback about their maternity experiences was being collected. It was explained that their feedback would remain anonymous and be shared with the MSLC. The following comments were made:

Antenatal Care

What was good?

-

What was not so good?

-

What I'd like to see different:
